Notes of Appreciation

Thank you so much for the beautiful spray and carnations. That was so kind and thoughtful of you. My mom is blessed to have such loving people caring for her.

The Bob Stewart Family

Dear staff, nurses, and assistants,

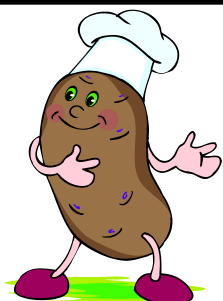

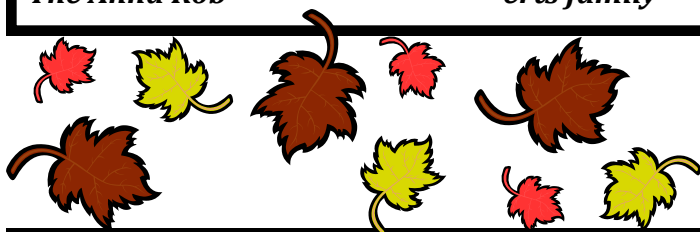

Thank you so much for the plants you sent after the death of my husband, Wade. My family and I have lost our best friend. He was one of a kind, with that captivating smile and great sense of humor. The companionship of almost sixty-three years will sustain us for a lifetime. We will miss him so much! Thank you for your love and support you have shown to us for the last two years.

With love,

The Parlier Family

Thank you so much for the peace lily plant you sent to mom. Thank you for all the help you gave her while she was with you.
