Effective October 1, 2011 the facility will no longer provide billing services for newspaper delivery. Each resident and/or family member will need to call the newspaper company prior to this time in order to establish a personal account in order for service to continue. The Activity Department will continue to ensure papers will be delivered. Please notify the Activity department after you have established the account. We rely on you to tell us who will receive what kind of paper and how often.

Recognizing Resident Volunteers

Our resident volunteers serve in a variety of ways around this building. Some read stories aloud in quiet spaces. Some help to spot and pull the called numbers at the Bingo table when a resident may need some assistance. Others deliver mail, newspapers, fold newsletters, hand out bulletins or papers during activity programs.

A few visit new residents, to assure them they will like this place and encourage them to make some new friends no matter how long they may be here. One sings in our weekly sing-a-longs and another serves as the voice of our residents as the current Resident Council President.

It is for these reasons and so many more we want to say thank you to our resident volunteers: Betty Phillips, Marcene Green, Rita Dixon, Larry Stubbs, Gaynell Melton, Sam Horn, Mable Wray, Berry Whitley, Betty Parlier, and Norma Walker.

We are booking NOW for the holidays!

If you, or someone you know, would like to bless our residents by coming to share during this holiday season...NOW is the time to schedule your event.

The Activity department is always looking for groups of all ages to come and work with our residents.

Notes of Appreciation

We appreciate everything you did for Johnny Huss while he was a resident. We know he got good care from his nurses and CNA's. Our prayers are with you in what you do everyday for every resident.

Sue Huss Moffett, Johnny's sister

We would like to thank you for the beautiful flowers and everything you have done. We really do appreciate it.

Jack Moore Sr. Family

Thank you for the beautiful lily. Your thoughts and prayers are much appreciated. Thank you again.

The Homer Brannon Family

Thank you so very much for the lovely peach plant. When I saw it with the pink basket and purple paper I immediately thought of my mother and also how well you knew her. I also want to thank you for all the love and care you gave her over the years that she lived at STLC. I have to commend the angels that took care of her at the end...they showed such love, compassion and tenderness in all that they did. With

much appreciation and love,
Sherry Nixon, Bobbie Parker's daughter

Thank you for the pretty plant you sent to mother's funeral.

The Mamie Stone family
